

GLOBAL IMPACT

MISSION: *Assuring help* FOR
THE WORLD'S MOST *vulnerable people*

Global Impact Directors and Employees are a diverse group bound together by a commitment to support charitable efforts to help the millions of people affected by poverty, disaster and neglect worldwide. The effectiveness of Global Impact Directors and Employees is based on the values that motivate us and our purposeful and thoughtful interaction with others.

DIRECTORS' AND EMPLOYEES' STATEMENT OF VALUES

AS GLOBAL IMPACT DIRECTORS AND EMPLOYEES, WE:

- believe that everyone is a leader,
- recognize that one person can make a difference,
- strive for professional excellence,
- celebrate success and
- adapt effectively to change.

OUR WORK IS CHARACTERIZED BY:

- integrity,
- an environment of professional respect that values trust, equity, diversity and innovation,
- teamwork and a readiness to assist others,
- camaraderie and a sense of humor,
- constant awareness and consideration of the needs and expectations of Global Impact's diverse customers,
- timely communications and
- dedication to the underprivileged worldwide.
