GLOBAL IMPACT

Assuring help for people in need

Global Impact raises funds to meet critical humanitarian needs around the world. As a leader in international philanthropy for more than half a century, Global Impact works with about 500 corporations and public sector organizations to provide their employees with access to an alliance of respected U.S.-based international charities operating on the front lines of humanitarian assistance.

Global Impact also partners with organizations, outside of workplace giving programs, to create innovative solutions that meet their diverse giving interests. These solutions provide an effective and efficient way to direct charitable gifts to the world's most vulnerable people.
